ESSENTIAL CHEMICAL

Super Duty 300

Heavy Duty Industrial Degreaser
Phosphate Free Readily Biodegradable

Application - (New Formula)

Super Duty 300 is truly the best all purpose cleaner and degreaser sold anywhere. It can be used in a wide range of dilutions to clean just about any hard surface, when used in accordance with directions
Spray On! Wipe On! Mop! Use any desired method. Designed principally for use in low pressure sprayers, may also be used with cloth, mop, or sponge.

Product Utilization

Super Duty 300 is a concentrate that is safe to use on a variety of surfaces including stainless steel, chrome, formica, steel, porcelain, leather, leatherette, plastic, motor blocks and concrete. Removes soap scum.
Super Duty 300 cleans all painted surfaces (should be diluted), carpet spots, upholstery, windows, and floors.
Super Duty 300 is ideal for removing grease build-ups on equipment, machinery, parts and floors.
Super Duty 300 will clean heavy grease from floors, remove carbon build-up around stacks, and eliminate dirt and grease from all surfaces.

Advantages

- Non-photochemically Reactive.
- Biodegradable

Directions for Use
